

OMAR CRUZ | FINE ART PHOTOGRAPHY

Method & Concept is proud to represent fine art photographer, Omar Cruz whose elegant and luscious black and white silver print photography frames his masterful lens for storytelling.

Born in New York and raised in Puerto Rico, internationally recognized fine art photographer, Omar Cruz of South Beach Miami, graces Method & Concept with his collections of classic black and white silver prints depicting hauntingly beautiful silhouettes, poetic moments in the urban landscape and detailed textural studies. Unlike digital photography so common to our modern time, the art photography of Omar Cruz is shot in analogue where the film is masterfully processed in his Paris dark room producing achievements of light, shadow and texture evoking rich qualities from each subject.

The demand for the art photography of Omar Cruz extends to portraiture, capturing the famous faces of an endless list of celebrities such as Zoe Saldana, Ricky Martin, Shakira, Eva Longoria and Pitbull. Cruz notably photographed President Barrack Obama and shot for iconic publications such as *Time*, *Vanity Fair*, *Vogue*, *GQ*, *Esquire*, and *People Magazine*.
